# Cardinal Stefan Wyszyński University in Warsaw

**Cardinal Stefan Wyszyński University in Warsaw (UKSW)** is a public university with 32 fields of study, over 16.000 students, 737 academic teachers and 383 administrative staff.

Studies are carried out in a full-time system and a part-time system, both in a long cycle system (master) and in a first cycle (bachelor). The UKSW also offers professional qualifications in postgraduate and doctoral programs. Studies conducted in most of the fields are certified by the State Accreditation Commission. Students have the opportunity to go on

to over 60 universities in Europe under the Erasmus program. There are numerous student scientific associations and student organizations, student theater and choir. There are sport facilities as well.

The University is friendly to people with disabilities. Rector's special associate helps solve problems related to the functioning of persons with disabilities and provides information about programs and events, meetings, and university festivals.

Some departments offer e-learning to enrich and supplement traditional classes. Distance learning system

enables interactive text commentary, moderating the discussion among students and a teacher.

Experienced career advisors from the Office of Career help students to plan career paths, and assists in placement in internships organized by renowned Polish and international companies.

The UKSW is a member of International Federation Catholic Universities (FIUC). The Polish program MOST (system of students' mobility) – national grants for studying in 19 other Polish universities.
